

# Mini Nature Hunt

How many of the following  
can you find or collect?

- Spider web (photograph or sketch)
- A plant seed (collect)
- Animal tracks (photograph or sketch)
- An animal more than 3" long (photograph or sketch)
- A bird or animal noise (practice making the noise, guess what animal is making it, make notes in your journal)
- A plant smell (photograph or sketch the plant and describe the smell)
- A plant that shows evidence something has been eating it (collect a nibbled leaf, photograph, or sketch)
- Animal droppings (photograph)
- An insect (photograph or sketch)
- Something natural that is smooth to the touch (collect, photograph, or sketch)
- A leaf or blossom less than 1" in any dimension (collect, photograph, or sketch)
- Something natural that is rough to the touch (collect, photograph, or sketch)
- The fruit of a plant (collect, photograph, or sketch)
- An animal home (photograph or sketch)
- Something that used to be part of an animal, like a feather or a shed snakeskin (photograph, or sketch)
- Leaves from three different trees or plants (collect, photograph, or sketch)
