

UNCSA & Winston Salem Severe Weather 2010

February 22, 2010

10 am – Noon...National Weather Service SKYWARN Training

Severe Weather Spotter Training

The National Weather Service will present a Severe Weather Spotter training program to help participants understand the warning process and severe weather.

The following topics will be covered...

- how and why buildings fail in high winds
- thunderstorm development and severity
- recognition of storm/cloud elements
- anticipating storm motion, intensity and severity based on cloud structure
- lightning dynamics and threats

There is no cost to attend!

Location:

**UNC School of the Arts
Eisenberg Hall**

**1533 S Main St
Winston-Salem, NC**
