EXECUTIVE SUMMARY

BACKGROUND INFORMATION:

Proposals were received January 29, 2021, in response to a Request for Proposals (RFP) to provide inmate health care delivery services for the Law Enforcement Detention Center (LEDC). This followed the release of the solicitation on November 13, 2020. Fourteen (14) vendors attended a pre-bid conference on December 11, 2020. Six (6) proposals were received January 29, 2021.

Proposals were asked to include:

A fixed annual cost for the management and operation of on-site medical services (all resident inmates regardless of jurisdictional responsibility), and;

A fixed annual cost for third party administration of off-site medical services with local medical providers and sharing the cost of those claims.

Each proposal was evaluated and rated by a diverse team of County staff representing the Sheriff's Office, County Manager's Office, Public Health Department and Budget & Management. In all, assessment criteria included six (6) mandatory requirements, a review of past performance and experience, including reference checks, and twenty-one (21) technical and clinical criteria. The

individual assessment scores from each of the nine (9) assessors was consolidated into an average score.

The Assessment Team conducted the finalist interviews with NaphCare, Inc., Wexford Health Sources, Inc., and Armor Correctional Health Services, Inc., between March 11 and March 18, 2021. Of the six (6) proposals, NaphCare, Inc., obtained the highest assessed value and is the recommendation of the assessment team.

The Assessment Team and staff recommend that a contract for inmate medical care delivery services for the LEDC be awarded to NaphCare, Inc., for an initial three-year term (2 years and 10 months to align with fiscal year) in the following amounts:

Fixed Costs

On-site operation and management of an on-site medical unit and related health services:

\$14,876,502.45

Third party administration of off-site claims: \$2,437,348.48

Variable Costs

County and Sheriff's Office staff estimate of local health care provider claims during the initial term;

County's 50% share: \$1,998,580

Staff estimate of net per diem costs during the term, for when Inmates per Day Exceeds an ADP

Contract Base of 850: \$172,900

The total estimated cost during the initial term is \$19,485,330.93.

As specified in the RFP, the contract will be for an initial two year and 10 month term, from September 1, 2021, through June 30, 2024, and prior to the expiration of the initial three-year contract, upon 180 days written notice, the contract may be extended in one-year increments for up to three (3) additional one (1) year periods, and upon 90 days written request, the provider may adjust prices beginning July 1 of each additional new year thereafter by an amount not to exceed the Annual Consumer Price Index unadjusted percent change as reported by the Bureau of Labor Statistics for the Medical Care Group published in the Consumer Price Index Detailed Report for December (Table 3.Consumer Price Index for all Urban Consumers: U.S. city average, detailed expenditure categories) or 5%, whichever is less.
