Kevin:

We would like to officially request that Forsyth County donate to the Ways to Work program at Family Services, Inc. the following cars currently in the County fleet:

Unit#	YR	Make/Model	Mileage	VIN#
7363	2003	Dodge Stratus	128,327	1B3EL36X44N207052
4861	2001	Chevy Malibu	133,187	1G1ND52J416236428

Ways to Work at Family Services continues to provide low interest car loans to credit-challenged working parents in Forsyth County. Just a few months ago, we celebrated closing our 500th loan. That client is a single mother of two children and the car will help her get to work, better care for her children, and rebuild her credit for the future. We do all this while maintaining a loan default rate that averages 12% of less.

Our program is not a handout; it's a hand up. Approximately 66% of clients that get some type of government assistance prior to starting Ways to Work, report that within two years of completing the program, they no longer need government assistance.

Thank you.

David Roddick, Ways to Work Program Manager
