I. Background

The Forsyth County Animal Control Advisory Board is an eleven (11)-member board identified in Forsyth County Code Chapter 6, Sec. 6-5 Animal Control Advisory Board. The Advisory Board makes recommendations on animal control codes, policies and programs related to animals. The advisory board conducts regular public meetings and prepares an annual report for the Board of County Commissioners. Pursuant to FCC Chapter 6, Sec. 6-5 the Advisory Board has adopted By-Laws governing the purpose, duties, operations and membership subject to the approval of the County Manager.

Information regarding the Advisory Board is available to the public as a section of the Department of Animal Control web-site. The web site is utilized to provide information regarding advisory board function, membership, meetings, agendas, meeting minutes, reports and as one of several methods for the public to provide input on issues under consideration.

The Animal Control Advisory Board Public Meeting is held at 6:00 p.m. at the Department of Animal Control. This meeting acts as a forum to solicit public opinion on ordinances, services, and policy.
